

Life Internet Skills Grocery Shopping Online

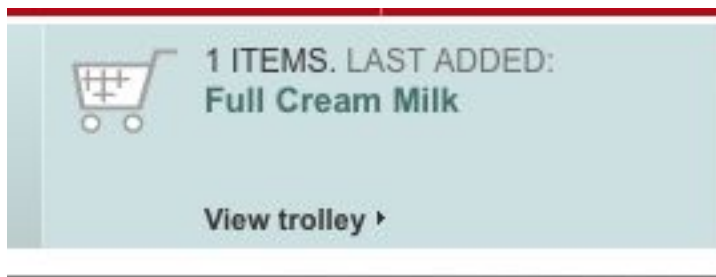

- 1.0 Enter *coles.com.au* into the address bar in Internet Explorer.
- 2.0 If you are not already registered, then register.
- 3.0 Lets start of by ordering some common items. In the white *search* field type '2 litres milk' then click *Search*. In the *Sort by* field it is best to sort by *Lowest price first*.

our search.

Sort by: [Grid] [List] [Menu]

	EVERY DAY Coles Lite Reduced Fat Milk 2L \$2.00 \$1.00 per 1L 1 [Add to trolley] + Add to list + Compare
	EVERY DAY Coles Full Cream Milk 2L \$2.00 \$1.00 per 1L 1 [Add to trolley] + Add to list + Compare

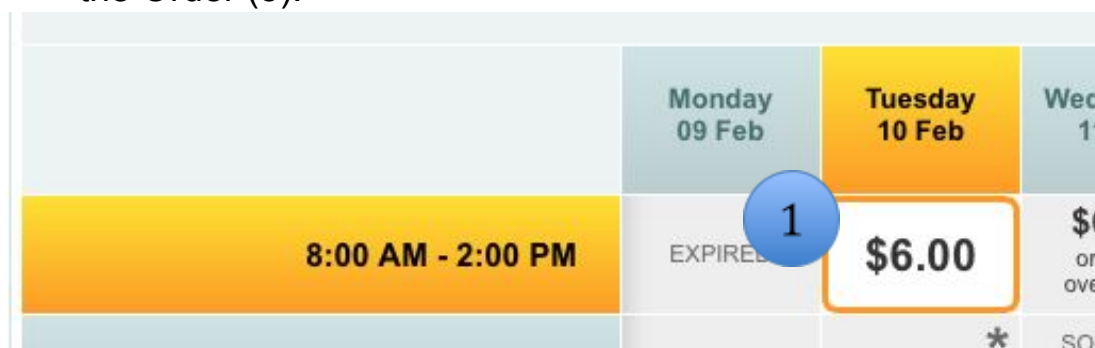

- 4.0 Once you have decided which milk to buy click on *Add to trolley*.
- 5.0 Now follow the same procedure to buy some bread, butter, fruit, vegies and meat. Note: the minimum order is \$50.
- 6.0 At any time you can click on *View trolley* to see what you have selected.

7.0 When you have finished shopping you can click on *View trolley* and then *Checkout*. Make sure you double check that the items you selected are correct.

8.0 Now click *Continue* and make sure your delivery and contact details are correct.

9.0 Now select a Delivery Time (1), make Payment (2) and Place the Order (3).

How would you like to pay?

Estimated total

\$61.83

Select a payment method:

Credit Card

EFTPOS on Delivery
